WHAT OTHERS ARE SAYING ABOUT COACH DOUG NOLL

Coach Noll is a dedicated man who wants his players to succeed. He has helped me tremendously throughout this year with my shot and working after hours on my jump shot. His main goal for his players is to exceed their expectations and become not only a great player, but a great person.

Earl Calloway

Former IU Player
Fort Wayne Mad Ants (2007-08 season)

Coach Noll is the kind of person you are fortunate to know. He has a huge heart and passion for coaching. He has a great knowledge of the game of basketball and the ability to bring out the best in players.

Ron Howard

Former Valparaiso University Player
Fort Wayne Mad Ants (2007-08 season)

I personally took my grandson to Doug in the past and will continue in the future because I see Doug as the best shooting coach in and around Fort Wayne. As a community, we are lucky to have someone of Doug's ability to work with our aspiring basketball stars.

Bruce Patterson

Former NCAA Division 1 Women's Basketball Coach

Coach Noll made a huge difference in our point guard, Jermarkis Willis. Last summer, Coach Noll worked with Jermarkis on his shooting fundamentals. This past season he raised his 3 pt. shooting percentage from 29% to 42% and his FT % from 59% to over 70%. Coach Noll helped him to become a more confident shooter and a better all-around player. I highly recommend Coach Noll if you want to improve as a player and a person.
